Dear Chuck:

In accordance with the e-mail I sent to you, I am sending back the Statement of Financial Condition that was previously submitted to you in the case that was settled. I am also enclosing the executed Addendum with respect to the seized catch. It is my understanding that you will apply this against the \$50,000 due from my client.

My client also will be providing me with an additional \$7,500 to be sent to you next week. In the meantime, he is applying for a loan (which I doubt will be granted), and I will advise as to the outcome of the loan application.

If you have any questions, please feel free to contact me.

Very truly yours,

Mark A. McSally
